tracks are not ordered by the council the entire cost of paving will have to be paid by the city and the property

The board lass night did not act on the market house or Third street question, as it claims it is up to the

Three opinions were rendered last night by Solicitor Puryear. One is that the ordinance relative to securing permits for excavatng the streets Mrs. Rosa Robertson Sues J. E. Engis valid and constitutional. It is likely, however, that the ordinance will be amended. There is no provision in it at present for excavating in case of emergency, such as on Saturclosed. Under the present ordinance if a water pipe should burst Saturday night it would have to stay "burst" light decided to recommend to the ontil Monday morning when a permit could be secured.

The solicitor also gave an opinion Pitth to Fountain avenue as the relative to the gas and steam heating others, to set aside the conveyance of reet is reconstructed. The details companies and stated that the steam property in the city claimed to have to be decided on later, and all heating company is required under been deeded illegally. The petition at the board recommends is that its franchise to keep all constructed alleges that the plaintiff got a judge thoroughfare be double tracked, streets up for a year after making ex- ment against the defendant for about to widen the street two feet on cavations and the reconstructed \$1,500 and a return of "no property seems that her father didn't under It is supposed the council will now pany has been leaving the streets and is alleged, that a house and lot had him to pay for them."—Cleveland the members appear to be in favor was some controversy as to its duties in respect to making repairs.

The solicitor also gave it as his ment to pay one-fourth the cost opinion that the Paducah Water comthe paving of the street, whether pany had to secure permits to tear up ed that the city will have to sell This is contrary to opinions heretoother franchise for the additional fore rendered in prosecutions in po-

SPARK ON ROOF

CAUSES SMALL DAMAGE AT THE SHERMAN PHILLIPS HOME.

The fire department was called to the residence of Sherman Phillips 311 South Third street, today about 10:30 o'clock to extinguish a small blaze in the roof of the house.

The fire originated, it is thought, from a spark from the roof, and little damage was done, the firemen getting the blaze out before it gained any headway.
